Effingham, IL -(Effingham Radio)- Willowbrook of Effingham is proud to announce that Residence Director Josh Mathis completed his training as required by the International Council of Certified Dementia Practitioner to obtain his Certified Montessori Dementia Care Professional (CMDCP) Certification.

The CMDCP is the earned credential that recognizes the highest standard in MDC knowledge and experience.

The ICCDP organization ensures the highest standards in Montessori Dementia education through the CMDCP certification process. The CMDCP certification demonstrates the achievement of specialized training in the areas of Montessori Dementia care (MDC). The benefits of CMDCP certification are numerous to the healthcare professionals and front line staff.

CMDCP certification is essential for today's health care workers and front line staff as the dementia elderly population continues to rise. CMDCP certification recognizes the need for standards i9n the area of Montessori Dementia education to provide quality services by trained healthcare professionals and front line staff in the area of MDC. CMDCP works to enhance the use of new methods, theories, and tools related to Alzheimer's and dementia care best practice.
